Lafayette College Distinguished Service Award

The Lafayette College Distinguished Service Award (LCDSA) was established to recognize sustained distinguished performance and contributions made by a member of the support or administrative staff. LCDSA gives faculty, administrators, and staff the opportunity to thank members of the Lafayette community who supported the College’s mission and contributed in significant ways to supporting and improving the Lafayette community.

Nominations must be submitted to the Recognition Committee which is chaired by the Director of Human Resources/Employment by March 31, 2017. The Recognition Committee reviews the nominations and selects the most qualified individual(s) to receive the award. If there is more than one nomination that merits recognition, the Recognition Committee can select more than one recipient to recommend to the President. The Recognition Committee will forward nominations and recommendations for awards to the President.
