TAKE CHARGE OF YOUR HEALTH CARE
Help control your health care expenses by estimating the costs for the care you need at different providers. The online Care Cost Estimator lets you understand your options and shop for the best value, just like comparison shopping for other important purchases.

HOW THE CARE COST ESTIMATOR WORKS
The Care Cost Estimator makes it easy to compare cost estimates for more than 1,600 procedures performed by different doctors and hospitals to find the best value. You can easily search for a procedure, and filter your search results by location, by family member and quality measures.

Works with all mobile platforms for searching on the go; ideal for talking about your options at the doctor’s office.

You’ll get a list of results that fit your search criteria. Compare your options to see estimates of what you’d pay for the procedure or service at different providers or facilities. Your range of costs represents the average high and low costs for that service in your area. The estimate includes related services likely to be associated with your procedure, such as anesthesia, recovery room, doctors’ fees, medications and supplies.
