Paychecks and Paydays

- Employees calculate their own hours on a daily basis for the supervisor to approve the end of the pay period.

- On pay day, employees are paid for all wages earned during the fourteen day period beginning 12:01 a.m. on Saturday and ending fourteen days later at midnight on the following Friday.

- Normally, paychecks are received biweekly on every other Friday.

- The pay day for the monthly Faculty/Administrators paychecks is the 25th of the month.

- If the 25th of the month falls on a Saturday, Sunday, or holiday, the pay date is the preceding workday.

http://hr.lafayette.edu/banner-self-service/
• Overtime is paid to hourly employees for time worked in excess of 40 hours in one week. (bank time option for hours between 36 ¼ and 40).

• Work week is from 12:01 a.m. Saturday to midnight the following Friday.

• Overtime is paid at time and one-half of the usual base rate of pay.
Snow Emergency

• Some jobs may require certain staff members to be at their workplace to perform some necessary tasks despite the existence of emergency conditions. Examples: security protection, snow removal, and steam generation.

• If there is any question about your specific responsibility, your supervisor will clarify it.

• Announcements of any delayed opening time will be broadcast on several radio stations (under Businesses not Schools).

• Recorded announcement: (610) 330-5060

Accident Reports and Workers’ Compensation

Report all accidents and injuries to immediate supervisor within 24 hours.

Seek emergency first aid at the Bailey Health Center.
Lafayette College is committed to preventing violence and supporting the safety and well-being of the campus community. Each member of the campus community is responsible for maintaining and improving campus-wide safety. Campus safety is enhanced through community members identifying behaviors of concern and reporting those concerns in a timely manner. Early identification of such concerns allows the College to intervene and address behaviors that are threatening or disruptive to the learning, living and working environment of the College.

Access to Employee Exposure and Medical Records

Jeff Troxell, Assistant Director of Public Safety

According to OSHA’s standard on Access to Employee Exposure and Medical Records you may access your exposure records that show the measuring or monitoring of your own exposure to a toxic substance or harmful physical agent.

You may also access your medical records concerning your health status that were created or maintained by a physician, nurse, health care professional, or technician. Examples of these records include:

– Medical and employment questionnaires or histories
– Results of medical examinations and laboratory tests
– Medical opinions, diagnoses, progress notes, and recommendations
– First-aid records
– Descriptions of treatments and prescriptions
– Employee medical complaints

You may contact Public Safety (5330) for access to your exposure records and the Bailey Health Center (5001) for access to your medical records.
The purpose of Lafayette College Safety Committee is to provide an avenue for all Lafayette College employees to contribute to workplace safety in hope of achieving and maintaining a safe, healthful working environment.

**Goal**
The goal of Lafayette College Safety Committee is to eliminate workplace incidents and illnesses by involving employees and managers in identifying hazards and suggesting ways to eliminate and prevent them from occurring.

**Submitting Safety Concerns**
Departmental safety concerns should be submitted in writing to your immediate supervisor. However, if you have a campus-wide safety concern or one regarding an issue in another department, you may submit those safety concerns in writing to the safety committee through the Public Safety Department (Marquis Hall) or directly to one of the individual safety committee members listed above.
