Special Offers and Extras to Lafayette Employees

As a Lafayette Employee, are you aware that there are many perks and extras available to you both on and off campus? Try one of these: "Community Reading Club"; Group and Individual Fitness Programs; Dining on campus at one of our eateries through the Faculty and Staff Dining Program; Wireless Services Discounts through Verizon or AT&T; extend your knowledge through video tutorials in a wide variety of topics. Go to our Library, and check out DVDs, Kindles, books, e-readers, or electronic devices such as cameras, chargers, hard drives, to name just a few. Or go to our Library page on line and look up your family tree on "ancestry" website. Just read on for all that you have at your fingertips as a Lafayette employee!

Community Reading "Club"

The book club is a safe place to share your love of reading and express opinions with other bright and intelligent individuals. The inaugural read was *Hidden Figures*; and now we are reading: *Good And Mad: The Revolutionary Power of Women's Anger*. For club meetings we established that each of us bring one discussion question from the book for the group. We also each bring a book title, or list and from that chose our next reading. Lunch cost is each person's responsibility. Conversation is lively and everyone participates respectfully and honestly. Copies of the book are available in Skillman Library or can be purchased from the College Store at a discounted price. Again, this year we hope that many members of our staff will join this Community Reading project by reading the book and either joining or hosting one of the many events expected to occur throughout the year. For more information, please contact Hannah Tatu at <u>tatuh@lafayette.edu</u>.

Go to "My Lafayette" page (your home page), and "Connect to my Accounts":

We recommend using the College's subscription to <u>LinkedIn Learning</u> for training on a wide array of software (e.g., Excel, Photoshop, Audacity, etc.) and related techniques (e.g., creating infographics and podcasts). You can log in with your Lafayette credentials.

Office 365:
