

LAFAYETTE

OPEN ENROLLMENT
2021

WELCOME

to the 2021 Benefits Open Enrollment at Lafayette College.

What You Need to Know during Open Enrollment 2021

Dates for Open Enrollment are **November 5–20, 2020**

- Capital BlueCross will continue as the health insurance carrier and there will be **no plan design changes**.
- This year will be a passive open enrollment period which means that you are NOT required to complete the online enrollment process unless you are making a change to your benefits for the 2021 plan year, OR if you are electing a Health or Dependent Care Flexible Spending Account (FSA), or choosing to contribute to a Health Savings Account (HSA).
- Elections made during Open Enrollment will be effective on January 1, 2021, and will remain in effect through December 31, 2021.
- Open Enrollment allows you to make changes to your health and voluntary life coverages without having to show a life status change.
- Log in to the Employee Benefits Enrollment Platform using your network credentials (the same user name and password used for your email and Banner self-service).
- You will NOT receive a new insurance card in the mail from Capital BlueCross unless you made a change to your medical and/or dental coverage for 2021.

Open enrollment begins Thursday, November 5, 2020. To schedule an appointment for technical assistance please email the Office of Human Resources at hroffice@lafayette.edu or call at 610-330-5060. The Benefit Resource Center (BRC) is available to assist you with benefit plan and policy questions. BRC is a service provided by the College's benefits consultant, USI. BRC can be reached toll free at 855-874-6699 Monday through Friday 8 a.m.–5 p.m. Eastern & Central Standard Time.

The member number for Capital BlueCross is 1-800-962-2242.

WHAT'S CHANGING WITH YOUR MEDICAL COVERAGE FOR 2021? NOTHING!

As you know, each year the College goes out to bid to identify the best healthcare coverage and networks at the lowest possible cost. This year, we are pleased to let you know that Capital BlueCross agreed to an overall **premium decrease of 1% while maintaining the same plan designs** (copays, deductibles, and coinsurance) as we have this year.

As a result of the overall decrease in medical insurance premiums, employees will also experience rate decreases in all three of the medical plans. The College and the Employee portion of the premium will each proportionally decrease by 1%.

WHAT'S NOT CHANGING WITH YOUR MEDICAL COVERAGE FOR 2021

Capital BlueCross will continue as the health insurance carrier for our medical and dental coverage for the 2021 plan year.

We are pleased to announce that we are able to offer the same three medical plans for 2021: Standard PPO, Low Deductible PPO, and Qualified High Deductible Plan. There will be **no plan design changes** with any of these three medical plans. By maintaining this range of plans, our members will continue to be able to select the health plan that best suits their own health care needs and the needs of their families.

The College will continue to maintain the same premium contribution percentage to the Standard PPO Plan that it currently provides: 90% of the total PPO premium for an individual employee; 79% for an employee with child; 78% for an employee with children; and 67% of the combined premium for employee and spouse/partner or family.

The College's premium contribution for all medical plans is based on the amounts it contributes to the Standard PPO plan. Therefore, if you elect to enroll in either the Low Deductible PPO Plan or the Qualified High Deductible Plan, the College will contribute to that plan the same "dollar amount" it contributes to the Standard PPO Plan, with the member paying the difference between that amount and the total premium for either the Low Deductible PPO Plan or the Qualified High Deductible Plan.

If you select the Qualified High Deductible Plan (QHDHP) with the Health Savings Account (HSA), we are pleased to let you know that the College will continue to contribute to the HSA for 2021 the same amount contributed in 2020. The College's contribution in 2021 to the Qualified High Deductible Plan premium will include the College's annual contribution of

\$1,500 to the HSA for "employee-only" coverage, and \$3,000 to the HSA for two or more covered individuals.

The College will continue providing the Colonial Life insurance bridge program with Colonial Life to employees enrolled in any of the three medical plans (details can be found on page 8).

With respect to prescription drug coverage, there will **no plan design changes** (copays and deductibles). Your Capital BlueCross member ID card will continue to serve as your prescription plan coverage through Capital BlueCross.

The prescription drug plans through Capital BlueCross are managed by Prime Therapeutics and information on in-network retail pharmacies and covered drugs can be accessed at www.capbluecross.com. As a Capital BlueCross member, you will have access to thousands of retail pharmacies across the country, including many well-known chains (such as CVS, Rite Aid, Target, and Wal-Mart), grocery stores, and independent pharmacies. For mail order, you will refill your prescriptions through AllianceRx Walgreens Prime, the provider for the home delivery program. You can set up your account through AllianceRx Walgreens Prime at alliancerxwp.com/home-delivery, or by calling 1-855-924-8421.

MEDICAL PLAN CHOICES FOR 2021

The College will continue to offer a range of three medical plan options for 2021, consisting of a "Standard PPO" plan, a "Low Deductible PPO" plan, and a "Qualified High Deductible Plan + HSA." All three plan designs are based on a Preferred Provider Organization (PPO) model. In a PPO, a member does not need to select a primary care physician, and does not need a referral to see a specialist.

The following pages provide a summary of the plan options for 2021, as well as a side-by-side comparison of all three medical plans. Please note there have been **NO changes made to the plan designs** described on the following pages.

Standard PPO Plan:

Plan Design (in-network benefits): The medical deductible is \$1,100 for an individual and \$3,300 for a family. The medical copays are \$20 for a primary care visit, \$35 for a specialist visit, and \$200 for emergency room services (waived if admitted). The coinsurance for medical services is 20%. There is a combined out-of-pocket (OOP) max. This means that all medical and prescription expenses incurred by the employee apply to one calendar year OOP maximum limit.

Prescription Drug: The annual individual deductible is \$300 and the combined family deductible is \$900. The generic copay

is \$10. The preferred brand copay is \$40. The non-preferred brand copay is \$60. There is a copay of \$75 for specialty drugs (high cost medication therapy generally obtained from the specialty pharmacy and used for complex diseases).

The Colonial Life benefit provides a lump-sum reimbursement benefit (\$1,000 once a year per covered member) for a covered hospital confinement, a lump sum benefit (\$150 once a year per covered member) for a covered accident only emergency room visit, and a lump sum benefit (\$50 once a year per covered member) to cover various health screenings.

Low Deductible PPO Plan:

A low deductible PPO plan offers richer benefits (lower out-of-pocket expenses) in exchange for increased monthly premiums. This plan could be attractive to an employee who is willing to pay more in premiums (offered on a pre-tax basis) in order to reduce/limit the employee's own out-of-pocket costs during the plan year.

Plan Design (in-network benefits): The medical deductible is \$500 for an individual and \$1,500 for a family. The medical copays are \$15 for a primary care visit, \$25 for a specialist visit, and \$200 for emergency room services (waived if admitted). The coinsurance for medical services is 15%. There is combined out-of-pocket (OOP) max. This means that all medical and prescription expenses incurred by the employee apply to one calendar year OOP maximum limit.

Prescription Drug: The annual individual deductible is \$200. The combined family deductible is \$600. The generic copay is \$10. The preferred brand copay is \$35, and the non-preferred brand copay is \$55. There is a copay of \$70 for specialty drugs (high cost medication therapy generally obtained from the specialty pharmacy and used for complex diseases).

The Colonial Life benefit provides a lump-sum reimbursement benefit (\$1,000 once a year per covered member) for a covered hospital confinement, a lump sum benefit (\$150 once a year per covered member) for a covered accident only emergency room visit, and a lump sum benefit (\$50 once a year per covered member) to cover various health screenings.

Qualified High Deductible Plan with HSA (QHDP):

A qualified high deductible plan (PPO based) is designed to have lower monthly premiums, but higher member out-of-pocket medical and drug singular costs. This type of plan also includes a Health Savings Account (HSA) partially funded by the College. For 2021, the College will continue to fund for both the individual (\$1,500) and family coverage (\$3,000).

A Health Savings Account, or HSA, is an interest-bearing savings vehicle partially funded by the College and the

employee (if desired), which can be used to pay for qualified health care expenses not covered in-full by the medical plan, on a pre-tax basis. If elected, the employee's contribution is deposited into this account during the year, and may be used to pay for qualified expenses incurred by the member. The College will make its contribution to this account at the beginning of the year. Money in this account, and any interest, is tax-free if used to pay for qualified medical expenses. It works very much like a flexible spending account (FSA) with some advantages. In addition to higher annual contribution limits than under an FSA, the money in the account is fully owned by the employee, and the balance can be carried forward into future years without fear of forfeiture.

Note: IRS guidelines prohibit an employee and spouse, if applicable, from participating in a medical FSA account if they are enrolling in the QHDP/HSA option.

Maximum HSA contribution limits (employer plus employee) for 2021 will be \$ 3,600 for individual and \$ 7,200 for family. Employees age 55 and older may contribute up to an additional \$1,000 for 2021.

BenefitWallet will remain the HSA plan administrator for 2021. All existing HSA accounts will remain with BenefitWallet, so employees will be able to continue to use their current HSA cards.

Plan Design (in-network benefits): The medical deductible is \$3,500 for an individual, and \$7,000 for a family. The coinsurance remains at 20%. The maximum out-of-pocket (OOP) limit is \$5,000 for an individual, and \$10,000 for a family. There is combined OOP maximum limit for the High Deductible Plan.

Prescription Drug: The preferred brand copay is \$45 after deductible, and the non-preferred brand copay is \$60 after deductible. The generic copay is \$20 after deductible

The Colonial Life benefit provides a lump-sum reimbursement benefit (\$1500 once a year per covered member) for a covered hospital confinement, a lump sum benefit (\$150 once a year per covered member) for a covered accident only emergency room visit, and a lump sum benefit (\$50 once a year per covered member) to cover various health screenings.

IMPORTANT REMINDER REGARDING DEPENDENT CHILDREN ELIGIBILITY FOR 2021

Under the Health Care Reform legislation (Patient Protection and Affordable Care Act), all children (natural, adopted, or step children) under age 26 are considered "dependent" regardless of their student status, marital status, and tax filing status. This legislation allows employees to cover children up to the age of 26, under the College's medical and dental plans.

However, HSA funds can only be used for dependent children claimed on your tax return.

Dental Plan

The Blue Cross Dental plan focuses on the importance of regular and preventive dental care. For calendar year 2021, the College is remaining with Blue Cross Dental (administered by Capital BlueCross) as its dental insurance carrier and there are **NO changes to dental premiums**. There will be **no plan design changes**, and dependent children will continue to be covered on this plan up to age 26, regardless of student status.

While the annual benefit remains at \$1,000, the “rollover benefit” will continue into 2021. With this rollover feature, employees can rollover up to \$500 of unused dental benefit from 2020 into 2021. The maximum annual benefit as a result of this rollover feature is \$2,000.

Employees enrolled in dental coverage will not receive new ID cards from Capital BlueCross unless there has been a change in coverage for 2021. If both the medical and dental coverage are selected, the medical card also serves as the dental card.

The plan provides members significant savings by receiving services from participating dental providers, and also allows members to receive services from non-participating providers of their choice with insurance reimbursements based on the contracted allowances.

The Blue Cross Dental plan provides coverage for the full range of dental care needs, such as routine preventive and

diagnostic, basic and major restorative, and orthodontic services. The plan utilizes the national Blue Cross network of dental providers, as to which some are identified as preferred providers. You can locate a participating dentist at their website: www.capbluecross.com. When using the search feature, please remember to select either the BlueCross Dental PPO Network or the BlueCross Dental PPO Preferred Network when requesting the provider list. In-network dental providers are included in the BlueCross PPO network as well as the PPO preferred network, however you may find discounted rates with preferred providers.

When using a participating (in-network) dentist for diagnostic and preventive care, eligible services are covered at 100%. When you receive basic restorative, major restorative, or orthodontic services, you are responsible for the coinsurance amounts of 20%, 50%, and 50% respectively. If you use an out-of-network dentist, the plan pays the same set allowance for the particular dental service as it does for a participating dentist. You are responsible for the coinsurance amount plus the difference between the out-of-network dentist’s actual charges and the Blue Cross Dental established allowance.

There is no deductible applicable under this plan. Under the Blue Cross Dental plan, services covered under the “preventive and diagnostic” category (100%) are not counted towards the annual \$1,000 benefit amount. The lifetime maximum benefit amount for a child’s (up to age 19) orthodontic care is \$1,000.

Capital BlueCross

The health plans are fully insured PPO plans which utilize the local Capital BlueCross network of facilities and professional providers. If you are outside of the Capital BlueCross coverage area, you have access to BlueCard participating providers. A listing of local and out-of-area in-network providers can be accessed online at www.capbluecross.com. You can search by the 'PPO' network option.

In addition, if you are traveling outside of the country, you can locate participating facilities and professional providers in over 200 countries by accessing BlueCross BlueShield Global Core at bcbsglobalcore.com.

QHDHP + HSA ADVANTAGES

- Tax savings on contributions made to the HSA for eligible expenses
- Contributions made by employees may be excluded from gross income
- Funds belong to the employee even after employment terminates
- Funds can be used to cover a wide range of qualified medical expenses—including those incurred by spouse/dependents (as long as they can be claimed on the individual's federal tax return)
- Unused funds in health savings accounts can rollover from year to year for future medical needs
- Acts as a savings vehicle for members nearing retirement age
- Offers lower premiums for employees
- May use HSA funds for premiums after retirement

Did you know?

Members enrolled in one of the College's three medical plans will have an additional layer of protection to help offset out-of-pocket exposure.

With this added financial protection, employees can dedicate more energy toward getting well instead of worrying about bills after treatment.

It's easy, the policy pays you directly upon proof of claim, and it helps to shield your out-of-pocket expenses in the process. Here's how the Colonial Group Medical Bridge works, if you or a covered member undergo any of the following healthcare services¹—

Hospital Confinement Benefit

Should you, or a covered member, be admitted/confined to a hospital for at least 20 hours, the policy will pay a lump sum of **\$1,500** (1x per year, per covered member) for the Qualified High Deductible Plan. Or **\$1,000** for either the Standard PPO plan or Low Deductible PPO plan.

Accident-Only Emergency Room Visit Benefit

Within 72 hours of an accident, if a covered member seeks treatment in an Emergency Room because of bodily injury, the policy will pay a lump sum of **\$150** (1x per year, per covered member)

Health Screening Benefit

After undergoing one of the health screening tests listed below, the policy will pay covered members a lump sum of **\$50** (1x per year, per covered member)

Stress test on bicycle/treadmill	Skin cancer biopsy	Hemoccult stool analysis
Fasting blood glucose test	Breast ultrasound	Mammography
Blood test for triglycerides	CA 15-3 (blood test for breast cancer)	Pap smear
Serum cholesterol test (HDL/LDL)	CA 125 (blood test for ovarian cancer)	PSA (blood test for prostate cancer)
Bone marrow testing	CEA (blood test for colon cancer)	Serum protein electrophoresis (blood test for myeloma)
Carotid doppler	Chest x-ray	Thermography
Electrocardiogram (EKG, ECG)	Colonoscopy	ThinPrep pap test
Echocardiogram (ECHO)	Flexible sigmoidoscopy	Virtual colonoscopy

¹ Please refer to the Colonial Life Group Medical Bridge contract for a comprehensive overview of benefits, limitations, and exclusions.

NEED LAB WORK? SAVE MONEY!

You have a choice when it comes to where your lab work is collected and tested. It's easy. Pick your lab, talk with your doctor's office, and save a few bucks—or several hundred!

From your secure account at [capbluecross.com](https://www.capbluecross.com), choose *Find > Doctors*.

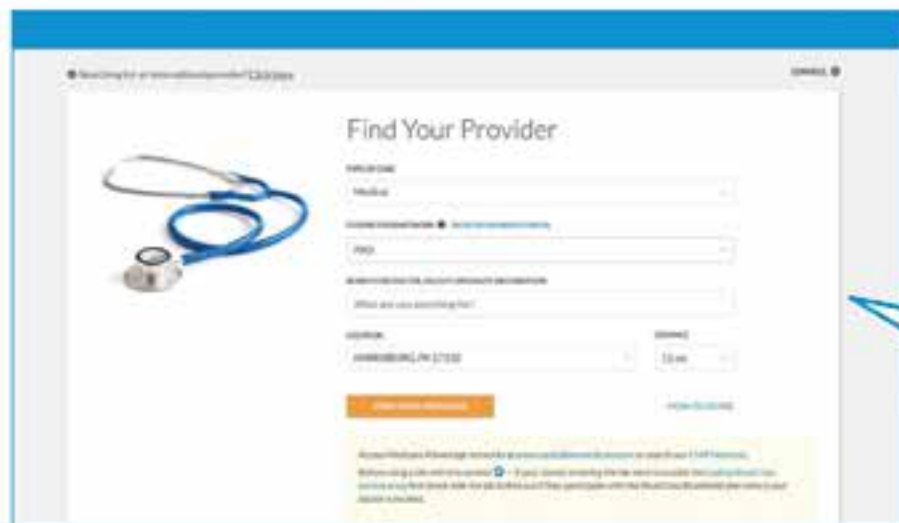

Scroll and choose *Independent Labs*.

Select the *Medical* tile.

Look for independent clinical laboratories designated with a  to pay less for your lab service.

Quest Diagnostics

LAB
TECHNICIAN, PATHOLOGY: MEDICAL
LABORATORY

123 Main St.
Anytown, PA 17110 **1.4 mi**
County: Dauphin
T: (717) 555-1234
F: (717) 555-4321

 PPO

Where the ordering doctor is located—in comparison to the lab—is also important.

If the provider requesting the lab test is located:

Within Capital BlueCross' 21-county service area:

Stay in-network by using an independent clinical lab—designated with a —that is also located in our 21-county area

Outside of Capital BlueCross' 21-county service area:

Stay in-network by using a network laboratory in the service area of the requesting provider

21-County Service Area: Adams, Berks, Centre, Columbia, Cumberland, Dauphin, Franklin, Fulton, Juniata, Lancaster, Lebanon, Lehigh, Mifflin, Montour, Northampton, Northumberland, Perry, Schuylkill, Snyder, Union, York

Using these guidelines, you and your doctor's office can work together to find an independent clinical laboratory that will cost you less out-of-pocket.

Capital BLUE 

[capbluecross.com](https://www.capbluecross.com)

Prescription Drug Coverage

To find out which drugs are covered by your plan, access the formulary on your secure account at [CapitalBlueCross.com](https://www.CapitalBlueCross.com).

RETAIL PHARMACIES (LOCAL NEIGHBORHOOD OR CHAIN STORE PHARMACY)

Show your Capital BlueCross member ID card at any in-network pharmacy when you have a prescription to fill. You can find in-network pharmacies by logging in to your secure account at [CapitalBlueCross.com](https://www.CapitalBlueCross.com). Your plan's benefits determine if or how much you are charged when you pick up your medication. Note that 75 percent of your previous supply must be used before you can get a refill.*

- In-network pharmacists will automatically submit a claim for you. You will be responsible for paying your cost share, according to your plan.
- If you go to an out-of-network pharmacy and need to submit a claim, you can download a form from [CapitalBlueCross.com](https://www.CapitalBlueCross.com). After completing it, please send the form and your receipt to: Pharmacy Services, P.O. Box 25136, Lehigh Valley, PA 18002-5136.

HOME DELIVERY

Enjoy the convenience of having prescriptions delivered straight to your home. AllianceRx Walgreens Prime is your plan's home delivery pharmacy and makes it easy to get the drugs you need to be your healthiest.¹

- Setup an account (including payment information) with AllianceRx Walgreens Prime at 855-924-8421 or visits allianceroxwp.com/home-delivery. You can also log in to your secure account at [CapitalBlueCross.com](https://www.CapitalBlueCross.com) and choose Start or Manage Home Delivery.
- Ask your doctor to send your prescription to AllianceRx Walgreens Prime.
- Continue managing your home delivery service (auto-refills, change in contact information, updated payment information, etc.) through your online account.

SPECIALTY DRUGS (SELF-ADMINISTERED)

AllianceRx Walgreens Prime serves as your plan's specialty drug pharmacy. If you need a specialty drug to manage your unique health condition, a patient care coordinator from AllianceRx Walgreens Prime will work with a team of pharmacists, nurses, your doctor, and Capital BlueCross to give you personalized care that helps best manage your needs.

For more information about specialty drugs, call AllianceRx Walgreens Prime at 800-533-7606.

**The amount of medication you can obtain at a retail or home delivery pharmacy depends on your drug benefit. Please refer to your Certificate of Coverage or policy.*

¹On behalf of Capital BlueCross, AllianceRx Walgreens Prime, an independent company by Walgreens Specialty Holding, LLC, assists in dispensing home delivery and specialty drugs for our members.

EPICHSP2017

Welcome

The EPIC Hearing Service Plan is the nation's first specialty care plan devoted to the vital sense of hearing. EPIC is dedicated to delivering the highest quality of care at the best value to our members.

Provider Network

The EPIC network is comprised of professional Audiologists and ENT physicians and represents the largest accredited network of its kind in the nation, with provider locations in all 50 states.

Hearing Aids

The EPIC Hearing Service Plan gives you access to all name brand hearing aid technology by the top tier hearing aid manufacturers at reduced prices, 30%-60% below MSRP; maximizing your value and savings. Note: the following top tier manufacturer brands are available through EPIC: Phonak, Unitron, Resound, Starkey, Hansaton, Signia, Oticon, and Widex.

How it Works

Contact an EPIC hearing counselor today. The hearing counselor can answer any questions you may have about the plan and coordinate your referral to a nearby participating provider. If the provider recommends you obtain hearing aids, an EPIC counselor will contact you to coordinate your coverage and payment. You will receive a 45 day trial period with a complimentary extended 3 year product warranty and one year supply of batteries*.

Important Notice from Lafayette College About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Lafayette College and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

- 1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.**
- 2. Lafayette College has determined that the prescription drug coverage offered by the Capital BlueCross and Highmark Blue Shield plans, is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.**

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Lafayette College Coverage will not be affected. You may remain enrolled in the College medical plan if you elect part D and this plan could coordinate with Part D coverage. If you decide to join a Medicare drug plan and drop your current prescription drug coverage, please be aware that you will also have to drop your medical coverage. In addition, you and your dependents will not be able to get this coverage back until the next open enrollment period or in the case of a special enrollment opportunity.

If you are currently enrolled in the College's retiree medical plan and become entitled to Medicare, your current coverage will end for you and your dependents.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Lafayette College and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage...

Contact the person listed below for further information. **NOTE:** You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Lafayette College changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

Flexible Spending Accounts (FSAs)

The College will continue to use Discovery Benefits as its flexible spending administrator for 2021. A debit card will be issued to all new members enrolling in the medical flexible spending account for 2021. Participants that are already enrolled in this plan year and re-enrolling in 2021 will keep their current debit card. **All employees electing to enroll for the 2021 calendar year must enroll via the Employee Benefits Platform, even if you are currently enrolled in the program for 2020.**

This program allows employees to save money on a pre-tax basis to pay for unreimbursed qualified health/medical care expenses and certain dependent care expenses. Reimbursements are, in essence, the employee's own money paid back tax-free. The plan year is from January 1 through December 31.

In this account, you save a portion of your pay with pre-tax dollars, thereby reducing your federal income tax burden. Specifically, the plan allows you to contribute your own money, before federal income tax, Social Security tax, and state tax (exceptions apply) to accounts, which will then be used to reimburse you for qualified out-of-pocket medical or dependent care costs.

Visit www.discoverybenefits.com for more information regarding the FSA and/or account information.

MEDICAL/HEALTH CARE FSA

The annual Medical FSA limit for calendar year 2021 will remain the same at \$2,750.

Employees may carry over up to \$550 of unused benefit from their 2020 medical flexible spending account into the 2021 plan year. The carry over allowance has increased by \$50 from

DENTAL PLAN COVERAGE CHART

DIAGNOSTIC AND PREVENTIVE	BASIC RESTORATIVE	MAJOR RESTORATIVE	ORTHODONTIA
Covered at 100%	Covered at 80%	Covered at 50%	Covered at 50%

* The College contributions shown for the High Deductible/HSA plan does include the annual HSA contribution of \$1500 for individual and \$3000 for family.

previous years. The carryover amount then may be used during that entire following plan year to pay for or reimburse qualified medical/health care expenses. (The carryover allowance does not apply to dependent care accounts.)

Reminder: Because of the healthcare reform legislation, you may utilize funds in your medical flexible spending account to pay for qualified medical expenses for dependents to age 26.

DEPENDENT CARE FSA

The annual Dependent Care FSA limit for calendar year 2021, will remain at \$5,000.

You may have money deducted from your pay on a pre-tax basis to cover eligible expenses for various child and adult care services so you can go to work. Expenses such as preschool, summer day camp, before or after school programs, and child or adult daycare are subject to eligibility

under the IRS. You save money by paying for these expenses with pre-tax dollars.

IMPORTANT

- Flexible spending accounts operate on a calendar year basis. If you wish to participate for 2021, you must enroll online via the Employee Benefits Enrollment Platform.
- Employees who elect a Medical or Dependent Care FSA must submit claims incurred for the calendar year by March 31 of the following year in order to obtain reimbursement.
- Employees electing the High Deductible medical plan option with the HSA funding account are prohibited by IRS regulations from also enrolling in a medical

(continued on back cover)

flexible spending account for 2021. Employees can elect one account or the other, not both. The dependent care flexible spending account is permitted regardless of the medical plan that you elect as this is a separate account and unrelated to the medical plan that you are enrolled in.

Additional/Supplemental Life Insurance

Additional life insurance is offered to employees over and above the non-contributory (free) coverage already provided by the College.

During this open enrollment period, employees may purchase additional life insurance in increments of \$10,000, up to \$30,000 without providing evidence of insurability. Amounts requested above \$30,000 are subject to a medical questionnaire. (Maximum benefit combined with Basic Life cannot exceed six times your annual salary.)

Premiums, which are determined by the amount of the insurance taken and the age of the employee based on age-banded rates, are fully paid by the employee. If you wish to make any changes to your current level of additional/

supplemental life insurance, please complete the appropriate section through the Employee Benefits Enrollment Platform. If required for underwriting purposes, you may have to complete a medical history statement through the Employee Benefits Enrollment Platform.

Additional Information

The information found in this brochure summarizes your benefit options available during the Open Enrollment period. This information is to be used as a general guide and does not reflect a complete summary of the plans. Detailed plan summaries can be obtained in the Office of Human Resources and found on the Human Resources web page, hr.lafayette.edu.

If there are any questions regarding the information contained in the brochure, or any questions related to the use of the Employee Benefits Enrollment Platform, please contact the Office of Human Resources at (610) 330-5060.

Please check out our online 2021 Benefits Website for all information related to Open Enrollment and our virtual Benefits Fair. <https://hr.lafayette.edu/open-enrollment/>.

REMINDERS

- You are not required to complete the online enrollment process unless you are making benefit changes OR if you are electing a Health or Dependent Care Flexible Spending Account (FSA), or choosing to contribute to a Health Savings Account (HSA)
- This is the **ONLY** time of year that you can make changes to your coverage without a qualifying life event.
- Employees must make their benefits elections online using the enrollment platform.

Visit the 2021 Open Enrollment website at hr.lafayette.edu/open-enrollment for all information related to your benefits for next year. Here you will find the Virtual Benefits Fair, the link to the enrollment platform, and the My Plan Advisor Tool.
