

Capital BLUE MyCare \$ Rewards

Whether it's groceries or cars, it makes good sense to shop around for the best price. Did you know that things like colonoscopies and X-rays can be less expensive at a clinic or office than at the hospital?

With MyCare Rewards, we'll pay you to shop around. When you use the MyCare Provider Finder on **CapitalBlueCross.com** to search for the type of care you need, you'll see a green trophy next to certain providers.

All you need to do is opt-in to that reward and go see that provider for your medical services. Once your insurance claim is processed for that provider, you'll receive a notification to claim your reward.

Visit capbluecross.com/my-care-rewards for more information on how you can be rewarded for shopping.
