BENEFITS OF *massage*

Massage is a great way to reduce stress and reward employees. Massage therapy has been shown to increase immune function in addition to alleviating work related stress. We offer a variety of service such as Deep Tissue, Hot Stone, Himalayan Salt Stone, Reiki, Sports, any many more.

BENEFITS OF *facials*

Hand & Stone Facial treatments are performed by licensed estheticians and tailored to each individual's needs or skin concerns. Our Signature Facial is tailored to treat skin concerns such as skin congestion, lack of radiance, skin sensitivity, fine lines, and loss of firmness. You'll enjoy a deep pore cleansing, exfoliation and extractions. And total relaxation. It's an excellent treatment for all skin types. We offer a variety of exceptional facials such as LED, Microdermabrasion, Peels, Microcurrent, and many more!
