# United Way

Consider how far just \$2/week (less than an average cup of coffee) will go toward helping those in the Lehigh Valley who rely on agencies supported by the United Way:

- Two weeks of after-school programs for two students
- Delivery of ten hot, nutritious meals to two senior homes
- Temporary housing for two homeless individuals so they can get back on their feet
- Provide one student with two months of summer learning in a safe environment
- Four weeks of pre-school to prepare a low income child for kindergarten

It does not take a lot for your pledge to have an immediate and positive impact on our neighbors. Your \$2/week adds up to \$8-10/month, which adds up to \$100-120/year.
