

# Learn how to protect yourself from cyber fraud

As the cyber threat environment rapidly changes and escalates due to post-pandemic threats, high-profile corporate data breaches, and more, it's important to understand how to be safe online. Join Fidelity Investments® for an informative and practical presentation where you'll learn the top 10 things you can do now to protect yourself from cyber fraud.

You'll also get:

- Ideas on safeguarding your data, mail, and online shopping
- How to protect your accounts and identity
- Ways to secure your devices
- Tips for monitoring your accounts and credit

**Tuesday, April 30, at Noon ET**
