Credits User Guide

What are Credits?

Credits are tokens that can be used for gym memberships, fitness classes, or other services offered by FitOn Health. Credits are paid for by your insurance at no additional cost.

The Breakdown on Credits:

Who pays for Credits?

Your insurance provides you with a set number of credits each month. Credits do not rollover.

Where can they be used?

Use your credits on the FitOn Health website to reserve a fitness experience for any location or activity in the FitOn Health network.

Each month we deposit a set number of credits into your account which you'll use to pay for any fitness experience on our network.

For example:

- 1 class at your local yoga studio might cost 8 credits
- 1 monthly membership at your local gym with unlimited visits might cost 24 credits
- 1 FitKit might cost 20 credits

When they refill:

You get a new set of credits on the 1st of every month.

Included with your FitOn Health account is unlimited access to our digital platform including fitness & wellness classes, personalized programs, meal plans with recipes, challenges, and expert-led health courses.
