Deductibles, coinsurance and copayments under this program are separate from any deductibles, coinsurance and copayments required under any other health benefits coverage you may have.
** Please refer to your benefit booklet for additional benefit details.

In-network providers agree to accept our allowance as payment in full—often less than their normal charge. If you visit an out-of-network provider, you are responsible for paying the deductible, coinsurance and the difference between the out-of-network provider's charges and the allowed amount. Out-of-network providers may balance bill the member. Some out-of-network facility providers are not covered. In certain situations, a facility fee may be associated with an outpatient visit to a professional provider. Members should consult with the provider of the services to determine whether a facility fee may apply to that provider. An additional cost-sharing amount may apply to the facility fee.
